

OUR SERVICES

Turnkey solutions

DEGREANE HORIZON designs, manufactures and integrates its systems but its know-how goes way beyond that, since the company also provides turnkey solutions, including:

- ✓ Site visits prior to reviewing all technical specifications, the customer's needs and the feasibility of the project
- ✓ Installing systems at the site
- ✓ System startup
- ✓ Training in use and maintenance either on-site or at our company premises
- ✓ Through-life support and periodic monitoring tests
- ✓ Third-party product integration
- ✓ Technical helpline and remote assistance
- ✓ Civil engineering
- ✓ Optical fibre
