

OUR STRENGTHS

Seven reasons for why it makes sense to work with DEGREANE HORIZON:

1. We are a company that puts people first and that works in close liaison with the customer
2. We have over 90 years' experience in the electronics industry and have developed recognised competence in the international environment (logistics and administration) since 1989
3. We specialise in a broad spectrum of know-how, backed by a strong entrepreneurial spirit
4. We forge strong relations with our partners, controlling risks throughout the course of every project
5. We have been ISO 9001-certified since 1997
6. We are constantly improving the performance of our products and services, processes and tools, supporting development in new markets
7. As part of **VINCI ENERGIES**, we have a sound business structure, together with all the advantages of a large network of companies to work with in the Group
