

VINCI ENERGIES GROUP

In a world undergoing constant change, VINCI Energies focuses on connections, performance, energy efficiency and data to fast-track the rollout of new technologies and support two major changes: the digital transformation and the energy transition.

VINCI Energies

With their strong regional roots and agile organisational structure, VINCI Energies' business units boost the reliability, safety and efficiency of energy, transport and communication infrastructure, factories and buildings.

2017: 10.8 billion euros in sales -|- 69,400 employees -|- 1,600 companies -|- 5 continents -|- 53 countries
